

# CHAMPAGNE & WINE LIST

Our champagne and wine list is founded on two key principles, firstly that it represents the best value for money that we can offer you, our customers, and secondly, that it is accessible and easy to read (and pronounce!).

The list is grouped by style giving you the opportunity to match it to your personal preference and choice of dishes. This season we have added a symbol to introduce Berry's selections for customers wishing to taste something new and interesting.

Please take your time to read and enjoy the list and please feel free to talk to us about your wine choices.

# Berry Bros. & Rudd

## (EST. 1698)

- Berry Bros. & Rudd can trace its origins back to 1698 when the Widow Bourne founded her shop opposite St James's Palace. Having traded from the same premises at 3 St James's Street for over 300 years, Berrys is the oldest wine and spirit merchant in Britain and possibly the world.
- Berry Bros. & Rudd is still family – owned and run. Today the present generations of Berrys and Rudds continue to manage the family – owned wine merchant business. The youngest members represent the eighth generation. Traditional values of service and quality are upheld and co-exist with modern business practices.
- Berrys source wines of character and quality often in small parcels from small producers from both the southern and northern hemispheres. 'Good Ordinary Claret' is the best-selling wine and is part of the range of over 70 own-label products.
- Bonded and temperature controlled cellars at Basingstoke store six million bottles including customers' private reserves
- Berry Bros. & Rudd's 180 dedicated staff continue the tradition of a personal and trustworthy service. Sales staff keep up-to-date with developments around the world of wine and are mostly qualified to WSET Diploma level. The company is proud to have five of the world's 289 Masters of Wine
