PART II - SPECIAL CONDITIONS

The following Special Conditions apply only to certain classes of Attendee. Most Attendees will not fall within any of the categories covered by the following Special Conditions. Attendees will only be required to comply with, and will only be entitled to any of the rights and privileges set out in, the following Special Conditions where specifically and expressly admitted to the Racecourse on the basis of one or more of the categories of Special Condition. An Attendee may, however, be admitted on the basis of more than one of the relevant categories.

SPECIAL CONDITIONS A - PARTICIPANTS IN RACING

Scope of Special Conditions A

These Special Conditions A apply to all Attendees who are actually involved in racing at a particular fixture whether as racecourse officials including but not limited to BHB and HRA officials, racehorse owners, trainers, jockeys, veterinary or other animal care or welfare professionals, assistants to any of the foregoing, stable staff, drivers or other Attendees fulfilling comparable roles directly related to the business of racing on the relevant day (**Racing Professionals**).

These Special Conditions A apply whether or not a Racing Professional Attendee holds a badge, PASS Card or other entitlement to enter the Racecourse.

Applicable Conditions

Frequently Asked Questions, The Racecourse Newbury, March 2013, subject to change

Where your entry to the Racecourse is by PASS Card you must show your PASS Card at the PASS entrance to collect your day badge allocation.

Where appropriate, your PASS Card and/or badge will entitle you to access to the Racecourse's owners' and trainers' facilities, the Parade Ring and the Winners' Enclosure. Racing Professionals will be granted access to the different areas of the Racecourse depending upon the role of the relevant Racing Professional, as we determine.

All vehicles including all vehicles used to transport horses must be driven with the utmost care whilst on the Racecourse and all vehicle drivers must comply with all instructions of Racecourse staff and other officials. Vehicles must only be driven along routes and parked in areas specifically designated by us. We reserve the right to require that any vehicle be moved if it is not parked in an area designated by us or if it is otherwise obstructing the smooth operation of the Racecourse or represents a safety hazard.

SPECIAL CONDITIONS B - MEDIA CONTRACTORS AND LICENSEES

Scope of Special Conditions B

We (and or our duly authorised agents and sub-licensees) may from time to time enter into agreements with third parties under which those third parties, their sub-contractors and licensees are permitted to enter the Racecourse for the purpose of producing still images or audio/visual/data coverage of races and fixtures and/or transmitting, broadcasting or otherwise distributing such coverage from the Racecourse (a **Third Party Media Agreement**). These Special Conditions B apply to all Attendees who are present on the Racecourse under the terms of a Third Party Media Agreement (**Media Attendees**).

These Special Conditions B apply whether or not a Media Attendee holds a badge, PASS Card or other entitlement to enter the Racecourse.

Subject to any special conditions that may be agreed in any Third Party Media Agreement all Media Attendees granted access to the Racecourse under these Special Conditions B must hold and maintain, or their employers must hold and maintain, comprehensive and adequate public liability insurance with a reputable insurer on industry standard terms to cover a reasonable level of liability for any claim for which they may become liable as a result of any loss or damage which they cause whilst present on the Racecourse. We reserve the right to refuse entry to, or to expel, any Media Attendee admitted under these Special Conditions B who does not produce satisfactory evidence of such insurance on demand or within such period as we may determine.

Your Rights

Ordinarily the rights which Attendees have to produce audio/visual/data coverage of races and fixtures is limited under Condition 14. However, where Media Attendees are present on the Racecourse under the terms of a Third Party Media Agreement it is likely that the scope of the rights which the relevant third party enjoys in respect of, or to produce and exploit, audio/visual/data coverage of races and fixtures will be wider than that permitted under Condition 14.

To the extent that the rights granted under a Third Party Media Agreement are wider than the rights granted under the General Conditions, including (but not limited to) Condition 14, Media Attendees will be entitled to exercise and exploit those rights granted to the third party under the relevant Third Party Media Agreement.

Please note, however, that save where we have expressly agreed otherwise in writing the rights granted a third party under a Third Party Media Agreement will be personal to that third party. Accordingly, Media Attendees' rights to attend the racecourse will be strictly as an employee or sub-contractor to the relevant third party and Media Attendees will not be entitled to exercise any rights to, or to produce and exploit, audio/visual/data coverage of races and fixtures on their own behalf or for any purpose other than that permitted under the relevant Third Party Media Agreement. Media Attendees must comply with the terms of any applicable HRA Instructions which may be relevant to their activities on the Racecourse. Particular attention is drawn to HRA Instructions 5.1 and 5.2(2) which are set out in the Annex to these Conditions.

Third Party Media Agreements to Prevail

If and to the extent that there is any conflict between these Conditions and the terms of any Third Party Media Agreement, the terms of the Third Party Media Agreement shall prevail.

We will grant all Commercial Authorisations in writing. Only written Commercial Authorisations will be valid and binding upon us.
