

THE BRITISH HORSERACING INDUSTRY CODE OF CONDUCT

By attending a racecourse all parties agree to comply with this Code of Conduct, agreed by the British Horseracing Industry. There will be a zero-tolerance approach to breaches of this Code and any individual who is in breach will be immediately removed from site regardless of their role or status with the full support of the Racecourse Managing Executive and BHA Stewards. Any breaches will be reported to the BHA Stewards, who will take regulatory action in line with the powers available to them. Any individual who is ejected from a racecourse for breaches of social distancing and/or the Code of Conduct will be unable to attend a fixture at any racecourse for 365 days.

In addition to this Code of Conduct, entry to each racecourse is subject to the Terms and Conditions of Entry to that racecourse.

Everyone attending a race meeting in Great Britain agreed that they will:
